About Dr.Lim Xiang Jun

Dr. Lim Xiang Jun is the founder of a premium modern bespoke integrative TCM practice in Singapore.

She is an experienced TCM physician with a Doctorate degree in Acupuncture from the University of Beijing and also a double degree in Biomedical Sciences & Medicine and Traditional Chinese Medicine.

Practising TCM Since 2005, Dr. Lim spent 7 years in Beijing learning from the best TCM doctors and practitioners. Her quest for knowledge and spiritual inclinations led her to become trained in other alternative medicines such as Ayurveda, Yoga, Reiki, Shamanism and Metaphysical studies such as Bazi, Feng Shui, Divination and Crystal Healing. Her diverse and rich trainings have let her to integrate aspects of Traditional Chinese Medicine with Western Medicine and Energy Medicine to provide an enriching experience for her patients.
